More info from Paul Baker & another informant

I have established contact with (for Harold, I never was
a psychiatrist but had some business & contact w/ some
psychiatrists in the States).

Re info from Paul is as follows: A group of
150-170 people are presently trying to get a
group totaling 200 or more people - including
some psychiatrists & some persons for a minimum
of 200 million dollars & get a federal court
order to get psychiatrists out of the
business. Additional info - get
the cost of federal hospitals of interest in camp
and the psychiatric care and how often you
and the psychiatric camp are with some
contact but more info in the A.M.

Additional info - contact with Bureau -
Bureau - Discharge of the federal court
in the States (no date currently set)

for action.)
